

From our 2006 handbook, a change from prior policy:

POST YOUR SCORE: After your round, make appropriate adjustments to your score (see Equitable Stroke Control below) and post your own score into the course's handicap computer. For WWGA tournaments, put an "H" for Home when posting, **except** the four State Medallion rounds (February, March, April, and May), post a "T" for Tournament.

Course Handicap	Maximum Number on Any Hole
9 or less	Double Bogey
10 through 19	7
20 through 29	8
30 through 39	9
40 or more	10

We changed this based on what the USGA classifies as Tournaments (emphasis added by us):

Posting a Tournament Score

A *tournament score* is a score made in a competition organized and conducted by a committee in charge of the competition. The competition must identify a winner(s) based on a *stipulated round(s)*, and must be played under the principles of *The Rules of Golf*.

The committee (preferably the *Handicap Committee*, in consultation with the committee in charge of the competition) must determine in advance if these conditions are met, and announce in advance whether the score must be identified by the letter "T" when posted. **Routine events such as regular play days normally are not to be designated as T-scores because they are not significant in the traditions, schedules, formats, and membership of the club.**
